Dear <name>,

It has been an honor serving you and your family.

Now that your case is complete, we need your help.

As a client, you're in the unique position of having experienced what it's like to work with our firm, and we need your feedback.

This feedback is essential to providing better service and helping more people in the future.

Reviews from clients like you help others who need a lawyer, but aren't sure which law firm to pick.

Will you please help us improve our service and help more people by leaving a review?

Clients have often told us that they want to leave a review, but aren't sure what to write.

We've found the most helpful reviews answer the following questions:

1. What was the problem you had that brought you to our firm?
2. Why did you hire us over all of the other law firms?
3. What did we do for you?
4. As a result of our work, what was the outcome?
5. How did this outcome impact your life?

We really appreciate your review. The more detail you can provide, the better, but we'd still love a shorter review as well if you're short on time or inspiration.

Thank you again for taking the time to help others by leaving a review for our firm.
